

Vintage Film Festival coming to your local public library

For the first time, the VFF is presenting mini festivals prior to the festival proper, in partnership with the Cobourg Public Library and the Port Hope Public Library. These events will be free of charge.

Cobourg

On **Saturday, October 2 at the Cobourg Public Library** there will be an all day festival featuring 4 full-length films. Screening hours will be 9.30 am to 5.00 pm.

PROGRAM OF FILMS TO BE SHOWN
